Progress Learning

USATestprep and Education Galaxy has become Progress Learning. The program functions to help scholars master the state standards through aligned content and resources.

The item bank contains questions in various formats labeled by Depth of Knowledge, including multiple-choice, video, and technology-enhanced items (drag and drop, classifying, matching, and more). Access over 300,000 items to give teachers and coaches a starting point to creating assessments, activities, and assignments instead of starting from scratch.

ABOUT US!

The role of the Program Manager is multifaceted. We are responsible for the overall planning, coordination, and implementation of instructional components of state and federal programs. This includes but is not limited to:

- **PROGRAM MONITORING & TECHNICAL SUPPORT**
- **DATA REPORTING**
- **SCHOOL LEVEL TRAINING**
- **MONITOR & SUPPORT IMPLEMENTATION OF MCAPs PLANS**
- **CROSS-FUNCTIONAL PLANNING & TEAM MEETINGS**

Accelerated Reader®

Accelerated Reader aids scholars and teachers in managing and monitoring independent reading practice. As scholars read and take quizzes, they earn points and progress is tracked toward individualized Accelerated Reader goals.

Program Managers conference regularly with school administrators and AR Champions to support reading engagement, goal setting, and comprehension strategies.

MasteryPrep

ACT® MasteryPrep is a mastery-based ACT curricula that fits flexible scheduling with minimal teacher prep time.

- Helps scholars at all score ranges by scaffolding course modules.
- Allows teachers to focus on teaching instead of searching for content.
- Provides structure for your ACT Prep efforts.
- Full virtual classroom experience for blended learning environments.
