## **Architectural Firms**

Staff has met with all newly hired Architectural firms and provided each firm the scope of work for each project and the timeline to complete each project.

## **Bond Oversight Committee**

The Bond Oversight Committee visited two bond construction sites (Callaway and Forest Hill High Schools) and was pleased with the progress and work performed.

## **Bond Administration Team**

Several small minority contractors are experiencing growth in their bonding compacity due to opportunities the Bond Construction Program has granted them. This was one of the Bond Administration Team's objectives.
