Parent or Guardian Agreement (For students under age 18)

As the parent or legal guardian of the above student, I have read, understand, and agree that my child or ward shall comply with the terms of the Jackson Public School District's JROTC Acceptable Use and Accountability Policy for the student's access to the JROTC curriculum. I understand that access is being provided to the student for educational purposes only. Although the program will utilize filtering software or other technologies to prevent students from accessing unacceptable content through the academic experience, I understand that it is impossible for the school's program to restrict access to all offensive and controversial materials and understand my child's or ward's responsibility for abiding by the policy. I am, therefore, signing this contract and agree to indemnify and hold harmless the school program, the Jackson Public School District JROTC, the administrators, and cadre/teachers against all claims, damages, losses, and costs, of whatever kind, that may result from my child's or ward's use of his or her access to such networks or his or her violation of the district's policy.

I hereby give permission for my child or ward to use the approved account to access the computer network and the Internet.
