Programming Strengths

- Elementary parents are well-pleased with the Monday - Friday after-care option.

- Feeder pattern leads are promising future district/school leaders.

- Strong cross-functional planning among various departments.

- A guidance document to build program in the future with technical support provided from partnership with Mississippi Statewide Afterschool Network (MSAN.)

Next Steps for Afterschool Programming

- Develop long-term plan for **sustainability** of after-school programs

- Work through transportation **challenges**

- Provide supportive **learning conditions** for all youth

- Elevate **youth voice** and choice
- Leverage all **youth interests**, knowledge, and lived experiences
- Show how STEAM can make a difference in **youth's lives** and in their communities
- Make community and family **connections**

Afterschool Implications for Summer Planning

- Determine summer sites with **cross-functional team planning** (i.e., Transportation, Facilities, Food & Nutrition)
- Determine with OTL and student focus groups the **academic** structure of program
- JPS Partners provide **enrichment** support
- Revise summer **enrollment** process
- Work through transportation **challenges**
- Host a summer summit/**family engagement** expo that aligns program needs to the JPS Strategic Plan
- Support district **summer reading** initiatives during summer programming.
