## Elementary Arts Rotations & Auditions Were A HUGE Success!

Pictured Above: 4th and 5th grade students experience each arts department as they visit dance, vocal, strings, piano, theatre, and visual arts.

## Did You Know?

The arts are recognized as a core academic subject under the federal Elementary and Secondary Education Act.

AND

As of 2017, Mississippi adopted arts learning standards that align with Nationally Recognized Standards of Excellence.

THEREFORE

APAC Arts is a core part of your scholar's world-class education!

Students display their art created during the Visual Arts mini-rotation. Scholars used tissue paper, glue, and face molds to create a unique 3D faux stained glass mask.
