"I Believe, I Can Achieve, I Will Succeed...I Believe"

March 24, 2020

Parents/Guardians/Scholars,

With the coronavirus (COVID-19) quickly spreading around the nation, the health and wellness of everyone is being taken very seriously. I know you are filled with worry and uncertainty, so please know that your worry and uncertainty is shared.

As the school's counselor, I will continue my commitment by providing Social Emotional Learning through home activities; along with videos for our scholars during our extended break. The activities and videos may be accessed at your convenience.

Please continue to monitor the JPS homepage, the Pecan Park website and watch the local news for updates as we go through this challenging time.

Sincerely,
Ms. Middleton, Counselor
