

Pecan Park Elementary

2nd Grade Yellow Pages

Weeks of
November 30, 2020 / December 18, 2020

Hats off to a great 1st semester!!! Although this has been a somewhat stressful and difficult 1st semester of school, we, as a school family and community, made it. We are once again embarking upon ending our 1st semester. Time, along with you, our unrelenting parents has proven we can overcome any obstacle that is placed before us. We hope you will continue to support and participate as we prepare for the second part of our academic journey. Thank you for all you have done. It will not be forgotten.

Reading/ELA

- Review previously taught Standards and continue those skills students struggled with
- Freckle assignments: Targeted and Adaptive
- Progress monitor

Math

- Review previously taught standards and continue those skills students struggled with
- Freckle assignments: Targeted and Adaptive
- Progress monitor

December 18, 2020 - 60% Day - Winter Break begins (School Closed) Dec. 21 - Jan. 4
January 5, 2021 - School resumes virtually

2nd Grade Team

Mr. C. Jordan
 Ms. A. Rachita
 Ms. A. Porter
 Mrs. J. Tolston

Ask your child about **Freckle**. They can tell you it is very important. They should be spending time on it every day.

Has your child met his/her AR goal? They can if they read using myON and take an AR test.

Don't Forget:

- Students should log in between 7:30-7:45
- Dressed appropriately
- Have all needed supplies
- Have an area for learning to take place
- Eat a good breakfast

Teaching Tip: Drill your child daily on basic math facts, both addition and subtraction, by using flashcards purchased or those you make at home. We want them fluent in reading and math.

Please continue to read to your child each day and allow your child to read to you. Ask questions about the story and allow your child to answer. This will assist in reading comprehension.
