### **Majorly Millsaps Art Contest Success!**

We are thrilled to announce that this year, Millsaps College invited students from various schools to participate in the prestigious Majorly Millsaps Art Contest. This event is an excellent opportunity for middle and high school students to showcase their artistic talents, gain recognition, and win exciting cash prizes and scholarships.

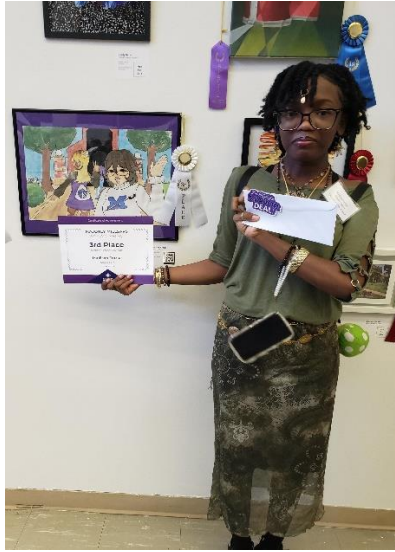

Our students have the unique ability to create inspiring and impactful artwork, and through their interpretations, they beautifully captured the essence of the Millsaps campus and its vibrant student life.

After reviewing over 100 entries, we are proud to share that the following talented students from Thomas Cardozo Middle School had their artwork selected for the juried show:

- **Madison Frazier**
- **Layla Sykes**
- **Estrella Zarate-Hernandez**
- **Rosa Rivera**

This past Thursday, October 10, 2024, these students were honored with an invitation to a special VIP tour at Sanders Hall, followed by an Opening Reception & Awards Presentation at the Lewis Gallery, Ford Academic Complex.

*Special congratulations to Madison Frazier for placing 3rd in the Middle School Division! She received a \$100 cash prize and a Millsaps T-shirt. Additionally, her work was one of the fifteen selected from all divisions to be featured prominently in the Alumni.*

We are incredibly proud of Madison, Layla, Estrella, and Rosa for their hard work and dedication.

Their achievements are a testament to their talent and passion for the arts. Let's celebrate their success and continue to encourage all our students to pursue their creative endeavors.

Thank you for your continued support and involvement in our school community. Let's keep inspiring and nurturing our students' talents!

- Art Teacher M. McGowan
